MEMO TO: FILE

RE: CHEMICAL RECOVERY

CC: Richard J. Bergman, Safety-Service Director
Lonny G. Shippy, City Engineer
Charles B. Coen, Supt. Waste Water Pollution Control Plant
Ernest G. Bartha, City Chemist & Health Commissioner
Archie Evans, Supt. Building Dept.

FROM: Ernest G. Bartha, Health Commissioner

SUBJECT: Specific charges against Chemical Recovery

PRESENT: Ernest G. Bartha, Health Commissioner & City Chemist
Jack Graves, State Fire Marshall Inspector
Vince Howard, Elyria Fire Prevention Bureau Inspector
Gordon Bell, Chief Sanitarian
William Fullgrabe, Engineering Dept.
Greg Worcester, Asst. City Chemist

DISCUSSION:

The meeting commenced at 9:00 A.M.

- A. Chemical Recovery's Attorney requested the City to list specific problems at the Locust Street site that were in non-compliance.
- B. It was the general consensus that the order that was issued by the Health Department was specific. However, a list of specific items was compiled by Mr. Bartha.
- C. The persons attending this meeting will meet with the City Prosecutor on October 24, 1979 to review the list.

The meeting adjourned at 10:15 A.M.
